its assignment.*

69 Commencements . . . *have come and gone on the Western campus; for the faculty and alumni, graduation is an old story. For us, the Class of '48, it is the climax of our Senior year, a year that shall live in our memories as the year of the great athletic teams, the snappiest dressed corps, the most colorful social events — the happiest year of our young lives.*

Our greatest desire as we leave our alma mater is to add to the RECALL tradition of Western our record of those personalities and events which have been Western to us in 1948.

The Class of '48 takes over

Major H. E. Suhre

Instructor in
Mathematics, Commercial Subjects
and Quartermaster

•

The Class of 1948

*dedicates this "Recall" in appreciation of
his long and loyal service to Western Mil-
itary Academy and the Corps of Cadets.*

Major H. E. Suhre is a veteran of thirty years' service on the faculty. The word "service" is correctly used, for it is the keynote of his long career at Western.

As a teacher, as quartermaster in charge of the cadet store, and as field representative of the Academy, Major Suhre has shown a conscientious devotion to duty which has placed the welfare of Western and the Cadet Corps above all other interests. The school to him has always been more than just a place of employment; it has been his very life.

The Class of 1948 is proud to honor a faculty officer whose sterling character and faithfulness have contributed so much through the years to build a better Western. He is a member of the respected and loved "Old Guard" of the staff.

The Seniors salute a man whose loyalty and service are beyond price — Major Suhre!

One more year has gone by to add to the prestige of Western as one of the foremost preparatory schools of the United States. Through the loyal guidance and unswerving standards of our Headmaster, Major C. L. Persing, Western has received high recognition for scholastic excellence from the colleges and universities of the nation. Major Persing's goal has always been thorough academic preparation and true character development. With the aid of a well-trained, carefully selected, and highly educated staff of instructors, he has placed Western among the leading secondary schools of the country.

The academic department this year was the major force on the W. M. A. campus. Cadets were influenced more by their scholastic work than by any other phase of student life. Studies were held up as the most important objective of Western training. Cadets worked hard to achieve high records in the academic field.

Seniors, especially, realized that excellent classroom records meant the difference between go-

ing to a good or a poor college, or being accepted or rejected by a university. However, they had confidence in themselves and their instructors, who were striving to prepare them for the challenge of higher education. Many a "trig." or college board student learned to burn the "midnight oil," poring over some of Captain "Doc" Aller's "toughies" or concocting a theme for Captain Wood. They saw the vistas of foreign languages, literature, history, mathematics, and other fields of knowledge open wide before them. They knew that competition on a national scale on the West Point exams, Naval R. O. T. C. tests, and College Board exams would be tough. They learned to face these facts and buckle down with the industriousness and seriousness of a senior.

Seniors accepted the responsibility of supplying leadership in the Corps—on the athletic field, on the drill ground, and in the classroom. As seniors they had to set the example for underclassmen to follow. This leadership was furnished through two highly respected organiza-

... and 400 Club

tions, the National Honor Society and the "400" Club.

Western Military Academy's Senior Chapter 2672 of the National Honor Society was established on December 11, 1942. Requirements for membership are high, and usually only eight cadets—five seniors and three juniors, are admitted each year. Its four cardinal qualities—character, scholarship, leadership, and service—truly reflect the high ideals of this group. To become a member is considered one of the greatest honors which a cadet can receive.

Under the guidance of Major Persing, the National Honor Society has become a positive and stimulating force in campus life. It is not a disciplinary organization. Its main purpose is shaping cadet opinions and interpreting them to the faculty. It seeks to uphold high standards and to better the morale of the Corps. One can always be certain that the influence of the National Honor Society is thrown behind everything which is conducive to loftier ideals and greater achievement in Western life.

The second such strong organization is the "400" Club, whose aims are largely academic. The main objective is to honor superior students, those who make a perfect "4.00" average for a semester or for a home grade period. Any cadet who attains this average is admitted to the Club and presented a membership certificate showing the date of his first perfect average. He must not fall below a "3.00" honor average at any time, or he loses his membership.

Under the sponsorship of Captain Wood, one of the "400" Club's main purposes is to increase the academic morale of the Corps. Other projects are also carried on by the Club. One of these is the careful and discerning selection for recognition of the cadet who has made the greatest improvement in scholastic work. He is presented a handsomely inscribed medal as an award for this achievement. In many ways the "400" Club has contributed to the richness of Western life. Each member is proud of belonging to this select group—the tops in academics.

1947 Red Raiders

Undefeated Champions

*Only Unbeaten, Untied Team
in St. Louis District*

DUGAN • GOODWIN

CO-CAPTAINS OF THE '47 RED RAIDERS

The 1947 Red Raiders may well be called the greatest Western football team in 25 years, or even in the school's history. Coach "Pappy" Gould's boys won honors that would fill a whole page. They went through a season of nine games, untied and undefeated, won the A.B.C. League Championship, and captured the mythical championship of the St. Louis area. Western players won places on every all-star team of the conference and the district, and some were named on all-state squads.

The Raiders achieved this record by bowling over some of the greatest high school teams in the Midwest. They rolled up 214 points to their opponents' 35. They won top scoring honors of the district, averaging 22.7 points per game, and on defense rated in third place, allowing their opponents only 3.7 points per game. Along with it, they gained a splendid reputation for clean play and sportsmanship.

The Raiders proved to be great from the outset of the season. Lane Goodwin, Joe Dugan, Dutch Franks, Bill

Fuchs, and Duxie Emswiler were the only letter men available on September 9. Soon it became evident that "B" players and reserves, such as Ollie Beadle, Berry Conner, Jack Stiebel, Jim Walker, Chuck Walker, Carl Paddor, Babe Bromley, Buzz Taylor, Elliott Schenberg, Joe Champ, and others, would fill the gaps and develop into an outstanding squad.

Hats off to the 1947 Red Raiders! You may see some of them on future All-American teams!

1st Row (seated)—Capt. Gould (Coach), Paddor, Black, T., Taylor, M., Champ, Dohle, Mooney, Emswiler, T., Jones, J., Hazel.
2nd Row—Corbett, Weber (Mgr.), Emswiler, H., Fuchs, Goodwin, Dugan, Bromley, R., Franks, Beadle, Sgt. Gorden (Asst. Coach)

Raiders hit high and low.

No. 2... Western 7-C.B.C. 0

In the second contest, the Raiders met the powerful C.B.C. cadets of the St. Louis Prep League on East Field. It was a titanic struggle between two evenly matched elevens. The first half was scoreless.

In the third quarter, C.B.C. plowed to Western's 7-yard line, before a gallant Raider line stopped the drive. Late in the fourth period, Coach Gould's lads launched their winning march from their own 30. Dugan, Franks, and Walker, C., gained steadily, and Goodwin caught a pass on C.B.C.'s

No. 1... Western 19-Granite City 6

Now for a resumé of that never-to-be-forgotten season! The opening game against strong Granite City of the Southwest Illinois Conference found a green cadet team taking the field. After a scoreless first quarter, Joe Dugan sped 75 yards around his own left end to give Western a 6-0 lead at the half.

In the second half, the Raiders started rolling. Dugan again got loose, this time for 73 yards around right end. The Warriors came back to score their only touchdown, but the cadets rebounded in the last quarter to shove Dutch Franks over for the third score and earn a brilliant 19-6 victory.

Western's fine showing on a foreign field was heartening. Few knew what lay ahead.

2-yard stripe. With 30 seconds left, Dugan reached pay dirt over center, and Stibel booted the extra point. That 7-0 triumph was snatched from the fire.

No. 3... Western 47-Country Day 0

There was no doubt about Western's power in that third game against an A.B.C. rival, Country Day. The Raiders were irresistible and scored at will, piling up 7 touchdowns, and Stibel place-kicked 4 extra points, with Franks adding one on a plunge.

Western made 20 points in the first quarter. Franks took a hand-off from Paddor to score from the 3-yard line. A pass, Paddor to Goodwin, added the second touchdown. A clever play, a pass, Paddor to Goodwin, who lateraled to Franks, covered 26 yards and brought the third score.

Even the reserves kept scoring. Paddor's long heave of 40 yards to Chuck Walker added a touchdown in the second frame, and Berry Conner streaked around end for 35 yards to give Western a 34-0 lead at the half.

The scoring pace slowed down in the second half. In the third period, Dugan's jump pass to Goodwin, was good for 25 yards and a touchdown. Conner's brilliant runs, climaxed by a 24-yard jaunt around end, netted the final tally.

No. 4... Western 45—John Burroughs 9

The Raiders continued to burn up the A.B.C. loop in their next victory over Burroughs in St. Louis on a hot and dusty day.

Western began in the first quarter, when Paddor's beautiful 47-yard spiral to Chuck Walker brought the initial touchdown. Burroughs was tough, and fought back to Western's 1-yard line. Dugan fumbled a bad pass from center and was tackled for a safety to give the Bombers 2 points.

Raider gets away.

The cadets rallied. Two passes, Paddor to Walker for 55, and Paddor to Goodwin for 15, netted Western's second tally. But the Bombers surged back to send Thies over from the 7-yard marker to make the score, 12-9, in the second quarter. However, Dugan turned the tide in Western's favor by galloping 51 yards into the pay zone, and the cadets led, 19-9, at the half.

The Raiders picked up momentum. In the third frame, Franks and Dugan hacked away on line plunges until Dugan scored from the 7. Soon Corbett caught a pass and Franks bulldozed 17 yards to the one-yard line, from where Conner knifed over for the touchdown. The cadets added two

more counters in the last quarter on Conner's sparkling 55-yard run, and a series of passes to Corbett, with Dugie Emswiler smashing 7 yards for the last touchdown, winning the game decisively, 45-9. Stiebel kicked 3 of the extra points.

No. 5... Western 6—University City 0

The victory over University City, 6-0, unbeaten and untied, was probably the high point of the season. In fact, the powerful Indians of the St. Louis Suburban League lost only that one game on the schedule. The game was played on a soggy Eaton Field, and weather conditions hampered scoring.

U. City drove to Western's 8-yard line in the first quarter before the courageous Raiders could dig in. In the second period came the winning cadet score. A plunge by Franks reached the Indian 25, and Dugan swept wide around end to reach the pay-off zone.

The third quarter was a terrific, evenly-matched struggle, but there was no score. The battling Indians rushed the ball to Western's 14 in the last frame, but the cadets hurled them back. The Raiders on a counter-attack marched toward the U. City goal. Paddor shot a long pass to Chuck Walker, who reached the 7-yard stripe. Franks jammed over for what seemed to be another touchdown, but fumbled as he crossed the line and U. City recovered the ball. The Braves retaliated with another sustained march, but time ran out and the Raiders had scored a sensational triumph.

The cadet players were carried from the field on the shoulders of rejoicing rooters. St. Louis papers began to sit up and take notice. Hopes went shooting high at Western for an undefeated season. Could the Raiders do it?

No. 6... Western 41—Ferguson 0

On a bitterly cold, windy day the Raiders journeyed to Ferguson and again hit the high-scoring bracket by winning, 41-0.

Western scored first on a steady 75-yard march when Paddor plunged over from the one-yard line. Ferguson

gave the cadets some anxious moments by driving to the one-yard line as the second quarter started, but the great Raider line refused to yield a touchdown. Western ground 99 yards to a score on gains by Franks and Dugan, climaxed by a pass, Paddor to Goodwin, who lateraled to Dugan for the counter. Before the half ended, Dutch Franks hulled 10 yards into the end zone, following brilliant runs by Conner and Dugan and a pass to Goodwin, to give W.M.A. a 20-0 lead.

In the third quarter, Chuck Walker's 20-yard run to the 12, and plunges by Dugan netted another counter. Emswiler's 16-yard jaunt around end added Western's sixth touchdown. In the final quarter the Raiders scored again on a 37-yard pass, Paddor to Goodwin. In this game Jack Stiebel place-kicked 5 extra points out of 6 tries.

Both the Raider line and backfield looked great in this victory. By this time Western was the only unbeaten team in the area, and the Raiders were determined to maintain a perfect record. Scores of alumni and parents were attending every contest.

No. 7... Western 25—Principia 8

For the second straight year, Western's Red Raiders won the A.B.C. League crown, this time by beating a stubborn Principia team, 25-8, on muddy Eaton Field.

Dutch Franks scored almost at once after Fuchs had recovered a Prin fumble on a 25-yard center plunge. Later in the opening quarter, Joe Dugan got loose on one of his brilliant runs for 62 yards, going around end and dodging several tacklers to make a touchdown. Western led, 12-0.

The hard-fighting Principia eleven halted several W.M.A. attacks in the second period and prevented further scoring.

Again in the third quarter, Principia fought Western to a standstill and gained a 2-point safety when Dugan stepped out of the end zone on an attempted punt.

The All-A. B. C. Team Players

Paddor, Champ, Fuchs, Stiebel, Franks, Goodwin, Dugan, Conner, Bromley, R., Schenberg.

The final quarter was thrilling. Dugan streaked 66 yards around end to score for the Raiders. Buzz Taylor passed to Chuck Walker for 44 yards and another W.M.A. counter. In the closing moments, Prin rallied and completed 4 long passes, Allen catching the last one for a touchdown. Stiebel's kick added one extra point.

This hard-fought game marked the last appearance of two of Western's finest backs. Chuck Walker came down with a case of flu, and Pete Paddor, star quarterback, suffered a broken collar-bone. Their absence was keenly felt in the last two games, and the Raiders probably were not at their best. Yet, it is to their everlasting credit that they went on to win.

No. 8... Western 18—Gillespie 12

The long strain of an unbeaten record was beginning to tell. Every opponent was gunning for the Raiders. They had to go all out to beat Gillespie, and, when they trailed, 12-6, at the half, it was the only time during the entire season that they were behind. A large crowd saw this thrilling night game at Gillespie.

The Raiders, as usual, scored first on a 76-yard march, featuring a 40-yard pass, Taylor to Goodwin, and a 5-yard touchdown plunge by Franks.

Gillespie snatched the lead in the second quarter. The tricky miners, led by Keck, Jones, and Carter, ripped the cadet line, until Jones went over from the one-yard line. Again the Miners scored when Carter caught a 26-yard pass.

Facing defeat, the Red Raiders rallied. They halted a Gillespie march on their own 9 in the third quarter. Dugan broke into the clear for what seemed to be a 90-yard run, but stumbled and fell on the Gillespie 30. However, Dugan soon passed to Goodwin 28 yards for the counter that tied the score, 12-12. Western then clinched the

victory. Dugan crossed the end line on a lateral but was called back. However, he later plunged over from the 9-yard stripe.

No. 9... Western 6—Alton 0

That final close victory over Alton, 6-0, on Thanksgiving Day enabled the Raiders to do what they had not done for 25 years, finish their season undefeated and untied.

The Alton Redbirds played their greatest game of the year and gave tough opposition. Led by Dutch Franks and All-State Joe Dugan, Western was determined to win.

The first half saw several Raider threats stopped by penalties and fumbles. Franks had one 80-yard run across the goal called back. Twice cadet passes were intercepted within the Alton 20-yard line. Joe Dugan reached the Redbird 13, but Western lost the ball on a fumble.

The Raiders made the only touchdown in the third quarter. Tom Emswiler touched off the spark by intercepting an Alton pass. Joe Dugan then scampered 61 yards down the sideline to score.

Alton staged a real threat in the last quarter. The Redbirds, fighting desperately, penetrated Western territory. Scroggins gave Western fans heart failure by passing to Dunphy on the cadet 7-yard line, but a 15-yard penalty nullified the gain. The Raiders thrust into Alton territory before the game ended. Western made 13 first downs to Alton's 4, but could only score once.

And so, amid the happy cheers of old grads, patrons, and cadets, the glorious dream came true. The gallant and weary Raiders rolled home in the bus, singing a song of victory—for the great, championship season of 1947 had ended—9 victories, no defeats! The Raiders were on top of the world—undefeated and untied!

It Takes Courage to Play with the J. V.'s

Don't sell the Junior Varsity football squad short! It probably takes more real intestinal fortitude to play on the J. V.'s than on any other grid team. Overshadowed by the glorious Red Raider eleven, which they helped build by serving as cannon fodder, they won only one game out of six last fall, but they never lost their drive and spirit.

Captain Charles Jackson, coach, developed two promising future stars, Mallen, halfback, and Pierson, quarterback. Husmann, Porter, Davis, D., and O'Connor also saw much action in the backfield, while Davis, W., Brooks, James and Taylor, P., were outstanding in the line.

"B" Football

This year the "B" grid team played its usual hard, tricky, and interesting brand of football in the A.B.C. League. Such a performance has become a Western tradition for "B" teams. They can always flash a type of play as interesting as that of any other squad on the campus. Varsity teams are always star-studded with former "B" players.

In 1947 Coach Bresson's boys defeated all league opponents except Burroughs. The young Bombers came up

with a powerful eleven that nipped the "B" gridmen twice, and they were forced to occupy second place.

In the backfield the ball-carrying of Bill Grimm and the signal-calling of Dick Webb led to many a touchdown, while the pass-receiving of Mike Thompson, also a brilliant defensive end, added many other points. Spark plugs of the line were Bear, Gillmann, Greene, E., and Kaltwasser, team captain.

"C" Football

Again those Mighty Mites, the "C" football team, proved last fall that Western's gridiron future will be in capable hands. These younger cadets begin at the bottom of the football ladder. For many of them, the "C" team is their introduction to this great American sport.

Though Lt. Bentley's charges had only a mediocre

record, they at times showed flashes of greatness that thrilled the entire Corps. Winning two games, losing three, and tying one, they finished third in the A.B.C. League. Led by such stars as Stone, Reeder, M., Arnaudy, Hagemann, and Meyer, R., these young gridmen proved to the world that they will be heard from. These names may well appear in the lineups of future Western championship teams.

"D" Football

The smallest of the smallest—those were the boys who composed the "D" football team. Although they played only three contests, winning two, they learned the fundamentals of the game, which was the main purpose of organizing the eleven. The "D" squad did not participate in league competition, but it was a real part of Western's

athletic program and rated letter awards. It has existed only two years, though there were some "D" teams before the war. The 1947 squad included mostly Lower School cadets and was the foundation for future work in the field of athletics at Western.

“A” Basketball

Led by Jim Corbett and Lane Goodwin, two returning lettermen, the Western Red Raiders again came through to win the A.B.C. League crown and finish the season with an impressive record. Coached by Capt. Favre Gould, the men of the hardwood began the season by beating Staunton on the W.M.A. floor. They continued on to beat Lutheran and lose to Gillespie in pre-holiday games. Returning from the holidays, the cadets gathered in wins from Country Day, Principia, Burroughs, Staunton, Lutheran, Roxana, Central Catholic, and Carrollton, while losing to Chaminade, Burroughs, Roxana, U. City, and Edwardsville. The Raiders 5-and-1 record was tops in the A.B.C. League, and Jim Corbett's 400-plus points was tops in the entire area.

Big Jim was top scorer with 21.9 average for the 19 game schedule. Lane Goodwin was second with a total of 118, Doug Stutsman put in 79, Jim Adkins 62, Dick Carlson 57, Carl Paddor 42, Ollie Beadle 40, Chuck Walker 27, Tom Nichols 17, and Carl West 6. As you can see, with the exception of Corbett, the scoring was well distributed, showing that the team was built around five men.

The Raiders proved that they were one of the best teams in the area when they wanted to be. They beat many of the top-rated teams, such as Roxana, Central Catholic, and Carrollton. Playing at home, the cadets lost only one game while winning eight. Maybe they have established a home winning streak.

The cadets started the year out by playing the unusual four-man zone with Corbett stationing himself under the opposing basket. This proved partially successful, but Coach Gould thought that it didn't make the best use of Corbett's height [6'-7"] so he switched to a five-man zone. Using Goodwin, Nichols, and Carlson at the guard spots, the cadets had the needed height to control the backboards. Two sets of forwards were used throughout the year. Jim Adkins and Doug Stutsman were the boys who could hit from out-court and pull the opposing defense out. When this happened Chuck Walker, Carl Paddor, or Ollie Beadle went into the game and played race horse basketball, never giving the opposition a chance to set up. Using this system, the Raiders scored 917 points while giving

the opposition 870. The cadet's best game by far was the game in which they beat Roxana, a team that had previously beaten them by 30 points. Played on the cadets' home court, the game was spotlighted by the outstanding rebounding play of the entire team. Following this win, the Gouldmen went on to whip Central Catholic, one of the better teams in St. Louis, and Carrollton, another highly rated team.

The season this year was highlighted by the fight and scrap of the entire team. No one let up although the going got rough more than once. Everyone worked and played together, which is what goes to make up champions. Hats off to a truly great Western Basketball team, a team of champions!

"B" Basketball

For the second straight year, Capt. Spence McClain's "B" charges proved themselves to be the cream of the A.B.C. League. With their record of 10 wins and 2 losses, the "B" basketeers captured the A.B.C. League championship, amassing a total of 503 points to their opponents' 406.

The leading scorer was Bob Reyes, with 92 points; and he starred on defense as well. Webb and Sietsma, fancy offensive players, were next. Mike Thompson, Harry Dickinson, Ted Bierman, Jack Vince, Louie

Johnson, Bill Grimm and "Lippy" Deutsch collected a good total.

Three of the "B" players will graduate this year. Bob Reyes was the star center for the team; Chuck Sietsma turned in an outstanding performance; and "Lippy" Deutsch made himself known as a great scrapper.

Hats off to the reigning champs, the "B" Basketball Team!

"C" Basketball

The "C" Basketball team turned up on the winning side of the ledger by one game, their record being eight wins and seven losses. This team rolled up 491 points for the season's total. They made 80 points in one game, better than any other Western team.

The "C" team finished third in the A.B.C. League but we believe that they had a better ball club than

the record would seem to indicate. Jim Barnes, Williams, Stone, Meyer and Schaeffer were the main spark plugs of the team, but they were helped by Webb, Larralde, Hagemann and Wesselhoft.

Lt. Bentley's boys were a great bunch. The "C" team showed enough ability and determination this year to prove that they are good ball players. Look for these boys on the "B" squad next year.

"D" Basketball

Lt. Bentley's small boys, the "D" team cagers, had a successful season this year as they wound up winning six out of their ten games. The "D" team boys showed the fight and stamina that lets Western look unafraid toward future seasons. Led by Reeder, Laue, Warner, Sweeney, Ginther, and Lucas, W., the team rolled up 236 points for an average of about 24 points per game.

this is not bad for boys with little playing experience.

Congratulations to the future stars of the hardwood! Keep up the spirit and the desire to win, and your fine record will continue to improve. "Tall oaks from little acorns grow", the "D" team of today will form the oak backbone of future Western teams.

"A" Soccer

Although the varsity soccer squad won only two games, tied one and lost six, they never lost their fight and spirit and the ability to finish the game proudly. Some of the varsity players were from last year's "B" squad; others have been on the team for two, three or four years. Many of the players were outstanding. The veterans on the team were Joe Dugan, Tom Black, Joe Champ, Harry Challant, George Dain, Joe Jones, "Rocky" Modiano, "Euclid" Greene, and

others: most of these men were on the varsity team. These men played an outstanding game. Many of the varsity players will graduate this year; but back in the lineup for next year will be such men as Torres, Arnold, Challant, Oyaas, Moore, LeClair, and O'Connor.

Captain Bresson did a fine job of coaching the varsity soccer team this year; and the boys, under his tutelage, learned a lot about the game and took great pleasure in practicing the fine points of it.

"B" Soccer

The "B" Soccer team, in its second year, won one game, tied two games and lost three. The boys on the "B" Soccer Squad had the proper fight and endurance on the playing field, but lost out through lack of experience. This was the first time that many of the cadets had played the game: the "B" team

serves as a training ground for future varsity stars. They should be recommended highly for their loyalty and drive.

Capt. Charles Jackson, coach of the team for the first time, did a good job in training the "B" men. He may well be proud of the cooperation of his men.

Swimming

In one of the flashiest performances seen here for many years, the cadet tankmen this season broke into the perennial "tough-luck" jinx of previous years. Losing two meets at the beginning of the season, to Prin and Y. M. H. A., the team later defeated Prin and tied Y. M. H. A., and chalked up a record of five wins, two losses, and one tie. Don Stoner broke the 200-yard free-style record five times, while the 160-yard free-style relay team set an unofficial record. Stoner and Lightner, co-captains, attended the state swimming meet.

Most of the cadet splashers will graduate this year: "Scotty" McAlister, Al Lloyd, Don Stoner, Bill Roantree; but Coach Ralph Jackson has many promising men who will return for next year's season.

The spirit and enthusiasm with which the swimmers turned a gloomy season into a sparkling one will never be forgotten.

Our congratulations to the champion Western Swimming Team!

Wrestling

The Western wrestling team turned out one of the best performances in its history, winning eight matches and losing only three. Red Schmitt's grapplers looked exceptionally good on the mat this year. Five members of the wrestling team qualified to go to the state wrestling meet: Pierson, Fuchs, Ratcliff, Broz and Emswiler, H.

Five of the nine varsity wrestlers will graduate this year: Pierson, Fuchs, Mooney, Kaltwasser and Emswiler, H.; but Red Schmitt has several promising men coming back for next year. Mayer, Broz, Ratcliff, Naft, and Weiner will represent Western in future contests.

“A” Baseball -- 1947

Winning six games in eleven starts, Western's varsity baseball team completed one of its most successful seasons in the Spring of 1947 under their veteran coach, Captain F. V. Gould; and this in spite of a cold, rainy Spring which hampered practice.

After a shaky start and losses to Country Day and John Burroughs, the cadets hit a hot streak to win six straight games. With Howie Jones and Carl Paddor hurling two no-hit, no-run performances, and with Wilbur Willingham, Dick Carlson, Bill Green and Hank Justice starring at the bat and afield, Western bowled over Staunton (twice), Codasco, Burroughs,

Principia, and Missouri Military Academy.

Bad weather forced the Gouldmen to play the last three games in four days, and the cadets dropped all three. Alton won by a close score. Prin nosed out Jones on an eleventh-inning error and Webster Groves, St. Louis area champions, battled ten innings before overcoming Paddor by a single run.

The 1948 season is in progress as this "Recall" goes to press. Gone from the lineup are such stars as Jones, Willingham, Green, Harter, and others. However, last year's veterans and J. V. workers should spark the team to another great season.

J. V. Baseball

One of the most enthusiastically played sports at Western is baseball; and those cadets who have not had enough practical experience with the game or who are not big enough to make the varsity team compose the conglomerate but spirited J. V. team. This team has fully as tough a schedule as the "A" team.

The 1947 J. V. baseball team won four games and lost three, ending up on the top side of their schedule. They played such teams as Brighton, Burroughs, and Codasco, and all of their games were hotly contested.

Bob Reyes shuttled back and forth between the varsity and the J V as a pitcher, but spent most of his time with the Bentley-men as their pitcher and

sometimes their first baseman. "Leak" LeClair was good at outfield posts along with Oyaas and Dugie Enswiler. Arnold served in many capacities—outfielder, third baseman, and shortstop. "Lippy" Deutsch was behind the plate as catcher until he was called up to the varsity, and then it was "Louie" Johnson. Chuck Mallen was the star pitcher on the scorecard and other names who were also frequently on the card were Joe Jones, "Arkansas" Williams, and Jim Baker. Larry Wolken was the versatile second baseman.

Many of these erstwhile Jayvees can be found on this year's "A" team. Lieut. Bentley's fine coaching last year helped not only to finish the 1947 season successfully, but to develop many promising new stars for the 1948 season.

The 1947 track season started with a disappointing opening meet, when the thinclads dropped their first engagement to Principia. In later contests, however, the track men came back to finish their season with a record characteristic of most Western championship track teams.

An impressive list of track champions was on hand for the beginning of the track season; and they developed rapidly during the opening weeks. Some of the outstanding men during the year were: Joe Dugan, who starred in the 100-yard dash and the 220-yard run; Rod Gaebe in the 440; Dick Walling, in the grueling 440 and 880-yard events; Joe Champ in the 880; and Nowlin in the mile run. Billy Fuchs and "Big Jim" Corbett were the varsity men in the shotput; "Tiny" Eyermann and Jack Stiebel heaved the discus. Wally Smith was the top pole-vaulter; Carl

Kaltwasser showed up well in the high-jump; and both Buzz Taylor and Dick Walling were good in the broad-jump. Dick Brown, Harry Chalfant, and "Euclid" Greene were the top performers in the high and low-hurdle events.

Toward the end of the year, Gaebe, Eyermann, Walling and Dugan participated in the State track meet, where Dugan managed a second in the 220-yard run.

Several of last year's track men graduated, but many of the thinclads are back this year for Captain McClain's squad. Dugan, Gaebe, Champ, Nowlin, Mooney, Fuchs, Corbett, Dain, Greene, Kaltwasser and other seniors will form the backbone of this year's team; also on the varsity team will be Chalfant, Taylor, Stiebel, and others who will be preparing for future seasons at Western.

Tennis

The Spring of 1947 was dark for the court masters of Capt. Dwight Aller. Plagued all the season by bad weather and muddy courts, the Western netmen had to begin a tough schedule without adequate practice. However, before the Spring was over, the cadets became a real threat.

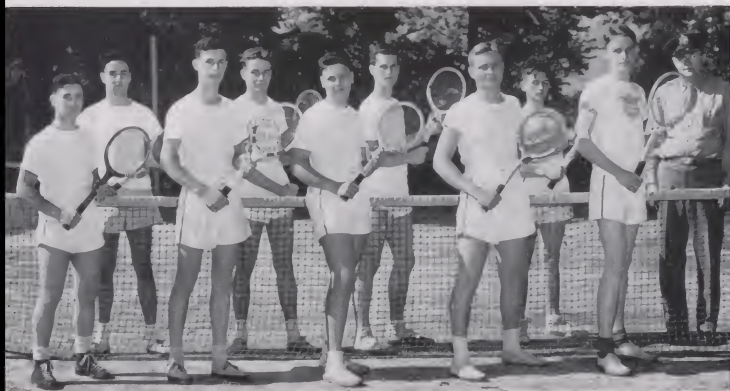

The mainstays of the team were Marty Nierman, Harold Pappas, and Earl Liff, the number one, two, and three men respectively.

In 1948 Nierman is the only one of the three to return, but, with his added experience he should become one of the noted players of the district.

Nierman will be supported by such promising netmen as Tom Emswiler, Carl Bobbish, Bruce Ratcliff, Don Davis, Mike Shane, and Harold Naft. Capt. Aller will add others to this group, and the tennis outlook for 1948 is exceedingly bright.

The Military Review

The opening of Western's 69th year on September 6, 1947, marked the introduction of military training into the lives of new cadets and the resumption of familiar duties for the old boys.

On the opening school day, four companies of old men were formed and one of new men. The orientation of the new cadets progressed rapidly. Fundamental marching formations were stressed for the first three weeks, and then M-1 rifles were issued. Soon the entire Corps was drilling and executing the manual of arms with the precision of veterans.

The first overnight field maneuvers were held at Marquette State Park on September 27. Two camps were formed under the supervision of Colonel McMillin and Colonel Moore. The cadets learned something of sentry duty, night attacks, and life in the field. New cadets took the R. O. T. C. pledge on October 12, and became a part of the National Defense Program

By October 20, military theory classes were begun to teach the theoretical phases of military training.

The first General Orders of the year made J. W. Dugan, cadet major, along with a quota of five captains, twelve lieutenants, and several high-ranking sergeants.

A new program was launched on November 15 when the best non-commissioned officer and the best private of each company were selected at the Saturday inspection. These men were honored by citations at Sunday parade.

With the coming of spring, military work increased in tempo. Drills, parades, field problems, and theory classes all aimed at the climax of the military year, the Government Inspection by U. S. Army Officers, upon which the school's coveted "Honor Rating" depended. As usual, Western's Corps met the challenge with fine spirit and efficiency.

Rifle Team

Western has always prided itself on having a good rifle team, and this year's group of marksmen was no exception. The five top men on the team were: Haycraft and Husmann, co-captains. Palmer, Porter and Sauter. Although they did not fire many matches, they

can well be proud of their record: they took first place in the 5th Army Area Hearst Trophy Match, and their score in this match was second in the nation. Team Co-Captain Haycraft scored second in the individual marks for the 5th Army Area.

Military Review

—Continued

In the meantime, the Western band had developed into a snappy organization under Captain Robert Bowman and Cadet Lieut. Briggs Beadle. It was ready with military music for all parades and ceremonies. Cadet T/Sgt. Foster was appointed drum major.

M/Sgt. Fred Bonkamp produced his usual excellent rifle team, headed by Cadet Lieut. Harris Haycraft. These deadly sharpshooters surpassed the great record of the year before.

Much credit for Western's excellent military record must go to Lieut. Colonel Dan S. McMillin, P. M. S. & T., and his capable staff of army veterans, M/Sgt. Bonkamp, M/Sgt. Gordon, and T/Sgt. Baldauf. Credit must also be given to the Commandant, Colonel C. H. Moore, and his staff, Captain Charles Jackson, Lieut. Ralph Jackson, Lieut. Weber and Lieut. Bentley.

The military year ends with the colorful exhibitions at Commencement. Military seniors relinquished their responsibilities. New cadets became old cadets, destined to play an important part in the future success of the Western Corps. The graduates will always carry with them the slogan so often stressed by the Military Department: "An officer and a gentleman!"

Last spring the present senior class voted to publish the 1948 "Recall", and, in order to get the year-book out on time and to have a complete book, the class decided to cover activities from March, 1947, to March, 1948. That decision made it necessary to eliminate most of the spring events of this year.

Major C. L. Persing, sponsor of the "Recall", appointed a temporary staff last fall. The gigantic task of financing the book, taking pictures, and assembling material was begun.

Douglas and Lowe were appointed editors. They deserve much credit for their faithful work, as they contributed their afternoons, recreation time, and many hours after taps. Springman and Schenberg were largely responsible for the success of the financial campaign. They secured over ninety per cent of all the advertising.

However, there were many other seniors who worked hard in all departments. The "Recall" was a project of major importance, and the publication was a monument to the loyalty and industry of the entire staff.

"Deadline draws near."

Every Thursday night the cadets looked forward to the weekly edition of Western's own school paper, "The Shrapnel". It was a newsy publication, recording the busy panorama of cadet life and lending support to every worthy cadet activity.

Sponsored by Capt. W. M. Hinton, the staff of fine young journalists met faithfully every Thursday night to receive assignments and to plan the next edition. Bill Lowe was editor, and Lee Douglas, a staff member of five years' service, assistant editor. They with others assembled in Lowe's room every Sunday

night to rewrite articles and prepare the copy. The paper was "made up" each Wednesday afternoon. Deutsch and Moll, business managers, handled the advertising, and Palmer and his group had charge of distribution.

"The Shrapnel" is a most positive factor in building morale at Western and ranks high in the field of high school journalism. It is not the work of a few, but is the product of a large number of loyal cadets who have printers' ink in their blood.

*Gentle reader look above. If you care to know the reason for these antics not in
formation, you should understand the command is "at ease".*

*Cock your eye at the upper corner and follow as in print: Cooper, J., at an unlocked
door; Much ado about ?; Dain understands drafts; Poor Brounie; If you can look over
the "W", it's Schenberg; Big Butter and Egg man; Puzzled; They had to move the feet
up; Scotty; Where is his tongue?; Editorial prattle; It should be Okey, it looks good;
Probably the beginning of the stamp problem of '48.*

From the beginning of the year until the end; that is the story shown on this page. Now we are cadets again, the year begins: The first assembly, cadets are entered as the year of '48; Haycraft and Husmann are all set to fix anything; Douglas leads as the press covers the "Twister" fight; High point of the "Florida Twister" skirmish as Anderson (the twister) gets his opponent; Dancing classes begin, this is the way to do that step; It's time to go but Beardslee says no; Cadets at work during study hall; The best drilled of the corps show their prowess; Joe E. Brown pays a visit to Western and gives the cadets the lowdown about "Boola"; Saturday Inspection nears as Musky and Lowe shine their sword and stripes respectively; Goodwin shakes hands with "Pappy" Gould before giving out letters; Col. McMillin gives the citation for the best drilled cadet to a worthy subject.

Swing Band

The Western music makers, the Westernaires, under the leadership of Captain Bowman, had to start anew this year. But after a good deal of hard work and consistent practice, they shaped up as a very fine musical organization.

They had no outside appearances, but the Swing Band played before every dramatic presentation and were received with great applause by the cadets. They had one of the main spots in the Commencement

musical and were received with a great deal of enthusiasm.

The main point of the Swing Band is to give relaxation to its members and to train them musically, as well as to give entertainment to the Cadet Corps. The whole school is grateful to Captain Bowman and his organization, which added so much pleasure to the life of the cadets.

Glee Club

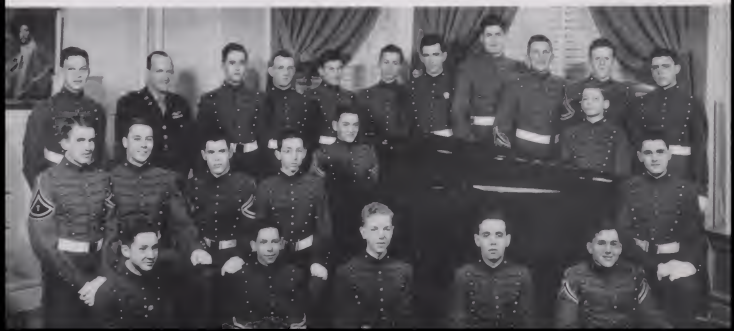

Everyone loves the harmony of male voices. The organization which gave everyone a chance to trill a tenor or boom a deep bass was Western's Glee Club, directed by Captain Robert Bowman.

Captain Bowman welded this conglomeration of differently-pitched cadet voices into a harmonious

group, which sang at school functions and before audiences in Alton and neighboring communities.

The Glee Club played a vital part in Western's music program. From its members was chosen the superb Senior Quartet. A salute to those melodious blenders of tuneful harmony, the Glee Club!

Late in January when the cadets were still recuperating from the past vacation "blues", Joe E. Brown brought his smile to Western. What a day!

The Corps put on a snappy review, a special assembly, and a real welcome for its famous guest. Joe said he had no speech to make and then proceeded to give the most profound talk of the year. Commenting

on his experiences in the late war, he reminded the cadets:

"There is nothing wrong with the world. It's the people in it who cause our troubles by failing to accept their responsibilities."

Joe saw his duty and performed it with a smile. Come back to W.M.A., Joe E. Brown, we need your spirit.

Cadespians

The Cadespians, Western's own dramatic organization, added, as usual, this year to the school entertainment program and gained fun and stage experience for themselves by presenting a series of excellent plays under the direction of Captain F. W. Nachtmann, director, and Captain R. P. Martin, assistant.

Two interesting plays, "The Still Alarm" and "Heads, He Burns" were given on Thanksgiving. "The Builder of Christmas Fires" was presented as a part of the Yuletide program.

In February the actors really surpassed themselves in two of the best amateur plays ever seen at Western, "Murder By Morning" and "Muley". The dramatic

season will be climaxed by the Senior Play, "I Like It Here" at Commencement.

The Cadespians also had the pleasure of seeing important stage productions in St. Louis. One unforgettable trip was to attend the presentation of "Harvey", starring Joe E. Brown, who received the cadets back-stage after the last curtain and talked with them personally.

The Cadespians had a great season, and they are proud of the fact that over twenty of their thirty-eight members belong to Western's chapter of the National Thespians.

WORLD CHAMPION AMMUNITION

In the world-famous Super-X shot shell, the Western Cartridge Company, one of the divisions of Olin Industries, gave hunters such improvements in range, power and pattern that the whole conception of shotgun shooting was revised. The Super-X shot shell, produced in 1921, was America's original long range load with progressive burning powder. Wildfowl hunters can count upon quick, clean kills when they shoot Super-X at high, fast flyers.

Just as famous for upland game is Western's Xpert field load in all popular gauges. Its performance is uniformly outstanding, yet its eco-

nomical price makes it available to any man who owns a gun.

Western Super-X Center Fire cartridges have also enjoyed unparalleled popularity among the world's big game hunters, match marksmen, and peace officers for generations.

*Contributing to Your Protection,
Comfort and Well-Being*

Ask the men who win small bore rifle championships what they think of Western 22's. They should know, because they shoot Super Match Mark II's in match after match and Xpert 22's for practice. Ask the hunter of small game and pests what he thinks of Super-X 22's. He knows that the introduction of this accurate, hard-hitting ammunition made a man's size rifle of the once humble 22.

In fact, for every pistol, rifle and shotgun of standard calibers and gauges there is Western ammunition designed to do a specific job in that firearm—and do it better.

IN GRATEFUL APPRECIATION — for the fine training, inspiration, and guidance given our son . . . for the four years of pleasant memories which have enriched our lives . . . and for the new friendships we have made through our association at Western with the staff, faculty, cadets, and parents.

CONGRATULATIONS — to the Class of '48 . . . You have a splendid record and will be able to look back with pride on what you have accomplished. Our sincere best wishes to each of you for continued success and much happiness in the years ahead.
